

EuCIA, the European Composites Industry Association is representing approx. 15000 companies in Europe, active in the fast growing composites industry.

EuCIA has a vacancy for the successor to the present

EuCIA Sector Group Manager

Job Description: The sector group manager has to manage the organisation on a day to day basis, reporting at first directly to the General manager and later to the board of EuCIA.

Particular responsibilities:

The sector group manager must perform excellently in the three key areas of EuCIA:

GROW *Provide the industry with growth platforms*

- Organize events, trade Fairs, exhibitions, seminars, etc
- Attend relevant conferences, trade fairs, exhibitions or events and make presentations on behalf of EuCIA.
- Present EuCIA on relevant official occasions.
- Initiate and develop a flexible, economically and environmentally sustainable European network of composites businesses and promote activities to influence EU decision making.

SHOW *EU legislation and projects*

- Follow and influence developments on EU legislation and regulations, relevant to the composites industry.
- Manage EU funded projects regarding composites innovation.
- Participate in EU Workshops

KNOW *Internal and external education*

- Educate the industry with best practice standards
- Educate the non-composite industry about composite performance

Qualities and experiences:

- A University degree or equivalent experience
- A technical background on chemicals policies with experience in economics or vice-versa
- Experience in either the plastics or composites industry
- Fluency in English. A good working knowledge of two other European languages will be an asset
- Have a strong affinity for European organisations
- Have a sound grasp of the operation of the EU institutions
- Be a team player
- Have good communications and networking skills
- A willingness to set-up an innovative body
- An entrepreneurial character

The candidate would be based at our office in Brussels and will be accountable to our General manager.

There will be opportunities for travel in Europe to our network and partners.

Please send your application with your CV outlining your interest in and suitability for this position by at latest 15 May 2008 to bianka.nagy@eupc.org.

Start date: 1st July2007.
